Useful reminders

01

Passcodes are case sensitive

Passcodes will only need to be entered once. The system will then remember you the next time you visit unless it sits dormant for long periods of time – unused it will log you out.

02

Account creation necessary

Click the ACCOUNT button on the top right of the screen just below the header and click SIGN UP. This will then guide you through the process and will make all future orders easier:

- Auto-populate fields at checkout
- Store multiple addresses and set one as a default which you will be able to then change with the click of the mouse at the checkout to any of your stored options
- View order status

03

Payment options accepted

You can select pay on invoice or credit card or Afterpay, if you select INVOICE it pops up and tells you that you must be pre-approved for this option.

04

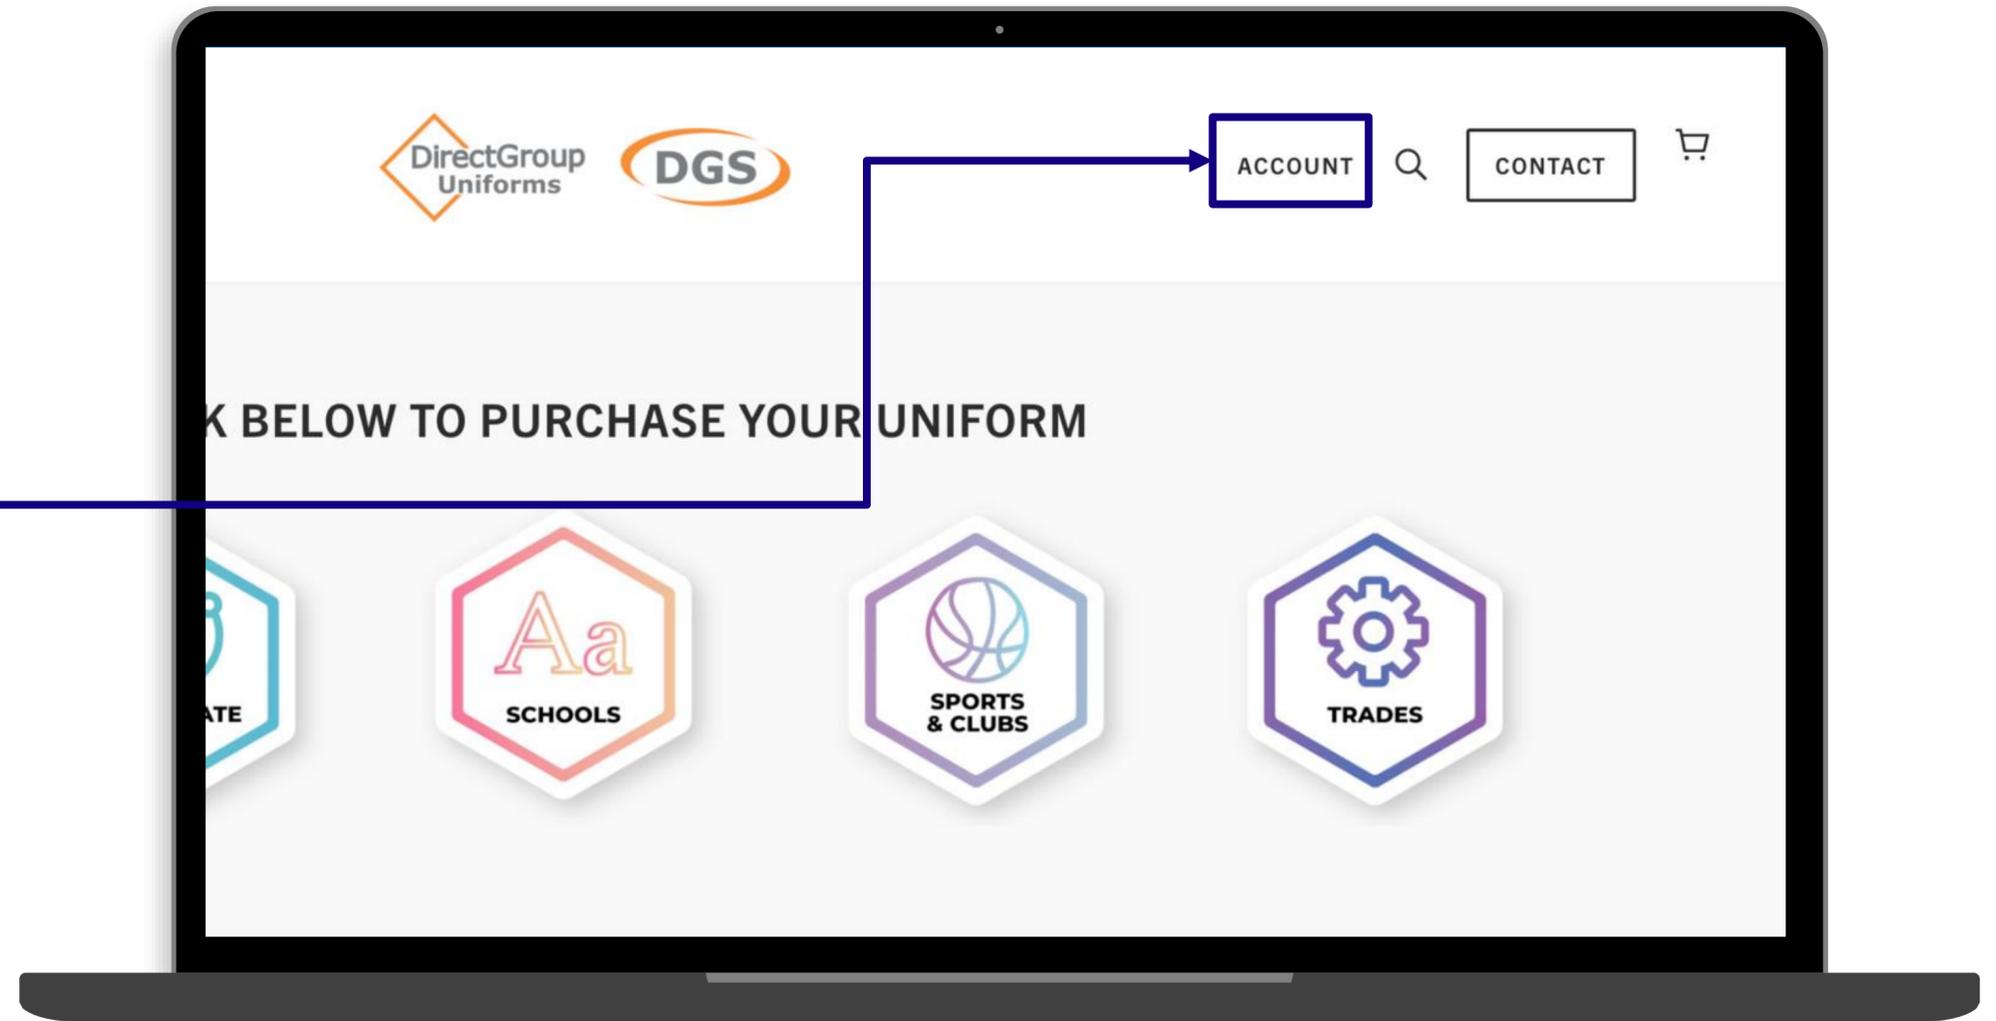

Shipping and GST details

Shipping and GST are added when the job is invoiced.
